Retirement Dragon

Hides among humans.

He disguises himself as a human to conceal his horns and tail. Yet people occasionally stumble upon his true form and offer tribute for protection. Though he claims to be retired, he still intervenes to help those in need

Explorer
Discovered the true nature of the school's abnormal detainment of students and began seeking ways to warn others to escape.

Keeper of Secrets
Guards the hidden cracks of truth, stopping anyone who seeks forbidden knowledge. An old being who still chases trends—creating a humorous gap between eras.

Training Doll
A kind instructor who gives sincere, practical advice to anyone undergoing combat training.

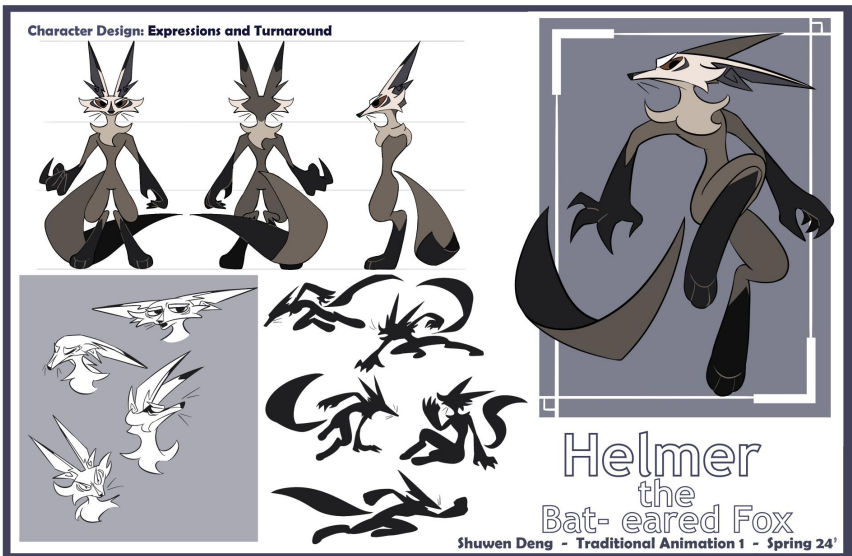

Warrior
A strategist skilled in planning and leading; supports teammates by issuing tactical commands.

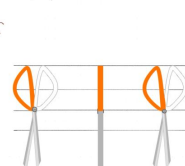

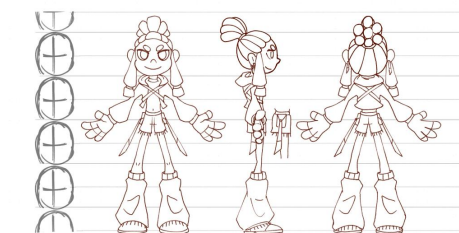

Student of the School
A bat-like girl who fears light; she screams whenever someone turns on the dorm lights.

Retirement Dragon
Hides among humans. He disguises himself as a human to conceal his horns and tail. Yet people occasionally stumble upon his true form and offer tribute for protection. Though he claims to be retired, he still intervenes to help those in need
